A NEW ADVENTURE

FUN ADVENTURE offers you the possibility to discover the beauty of the lagoons riding your own SEAKART.

No more hesitation! With family or friends, FUN ADVENTURE Mauritius will take you to a new level of entertainment in a complete safety.

We are located in Black-River in a magnificent environment.

The all ride will be escorted by our Security boat, which is equipped by a remote kill switch and a communication system with each Sea kart.

The instructor will give all the information about the itinerary and the speed during the excursion.

A NEW SENSATION

Here are our different packages:

HALF-DAY BASIS (morning / afternoon)

9: 00 Am / 1:30 Pm: You will be welcomed with a coffee or refreshments.

9:30 Am / 2:00 Pm: Briefing with a qualified monitor concerning the organization, the security rules and the piloting.

10:00 Am / 2:30 Pm: Along with the monitor, you will reach the beach near the base where the seakarts will be waiting for you with a monitor's help. He will help you to take place in your seakart. Here you are leaving for a splendid hiking in the direction of the lagoon of Benitiers Island, le Morne and also the famous coast of Flic en Flac.

The excursion will be composed of different steps : cruising speed for discovery, accelerations for fun, and swimming breaks.

12:00 Pm / 4:30 Pm: Returning from the ride. You can extend your pleasure around our swimming Pool or in the garden near the River.

For the morning ride, a continental breakfast at the arrival is included in the price.

For the afternoon ride, a snack after the riding is included in the price.

FULL-DAY BASIS

10.00 Am: You will be welcomed with a coffee or refreshments.

10.30 Am: Briefing with a qualified monitor concerning the organization, the security rules and the piloting.

11.00 Am: Along with the monitor, you will reach the beach near the base where the sea karts will be waiting for you with a monitor's help. He will help you to take place in your sea kart. Here you are leaving for a splendid hiking in the direction of the lagoon of Benitiers Island, le Morne and also the famous coast of Flic en Flac. The excursion will be composed of different steps: cruising speed for discovery, accelerations for fun, and swimming breaks.

We will stop on the famous Benitiers Island. You will enjoy a delicious BBQ : the lunch menu consists of fresh fish, grilled chicken, lobsters, rice, salads and a dessert, with some local live music.
